Announcements:

Ed Parnell had been contacted by Tracey Chevez and they discussed the possibility of Tracey hosting a social for the club at his home. This information was passed on to Club President Rick Coleman. Rick will contact Tracey and advise if a date is set.

Ed advised that the golf committee will be holding a meeting at his home on Friday the 29th. Please contact Ed for the time if you are interested in attending.

Ed also advised that he had spoken to Marcus Armstrong and Marcus had secured a very interesting speaker for the club meeting on April 25th. When the webmaster is contacted by Thomas Carlucci (Program Director) the name will be posted on the website.

Russell Schrader advised that Letty Deites had called and advised him that she had talked to the call center in Selma about the bank account that needs to be set up for the Magic Show. He advised her that we do not need to set up a new account just for this project, but that we would need to keep a separate set of books on the project itself.

Bob Hogue announced that he had contacted Wilshire Elementary School and they advised him that they had held their Bicycle Rodeo in February and That El Dorado Elementary had held theirs in December. Bob apologized for not contacting them earlier, but assured us that he will be on top of this project for the upcoming year.

Since we had no speaker for this meeting Sarah Villarreal gave a presentation on the last District Convention that she had attended. She told us all how great it was to see other Optimist from all over the district gather in one place and share fellowship.

This presentation goes toward her completing her level 7 for the PGI Program.

Good job Sarah!!

Sarah drew the winning ticket and Bob Hogue won \$8.00.

Following the Optimist Creed the meeting was adjourned at 12:55.
