Announcements:

Letty announced that Rick had signed the contract for the Magic Show and would be sent to them. She also said we had received 250 tickets for the club to sell. Letty also had 2 Fiesta Medals she donated to the club for a drawing at the end of the meeting.

Rick received a letter from the President of OI. It was to present a pin to Dean Wilson for being a good Optimist and bringing new members into the club.

Texan/Texana program requested funding. The board had already approved this so the funds will be sent to them.

Lloyd Buckmaster asked for funds for Boy's State. We will discuss this at the next board meeting.

Ed Parnell's golf committee will finalize the golf brochure by this weekend. He also reported that the Party at Tracy Chavez' house will be moved from the previous date to May 11. This is so that the members who want to go to the District Meeting will be able to attend both.

The secretary read the minutes of the last meeting. Fay moved they be approved. Bob Hogue seconded the motion. The motion carried unanimously.

We were entertained with hilarious humor by Letty Dietes and Bob Hogue.

Our speaker was Hector Cardenas from the San Antonio Fire Department. He brought a friend and former colleague with him, Mario Arrellano. Hector presented a Powerpoint presentation on the history of the SAFD. He showed many pictures of the first Fire Department Volunteers, the first firehouses, until the present day department. It was a very interesting program! The new Fire Department Museum will have a soft opening April 19<sup>th</sup> and the Grand Opening in a couple of weeks. It is located behind the Alamo on Bonham and Houston Streets.

Russell won the drawing--\$16. Jack Kellmann and Bob Hogue won the Fiesta Medals.

Following the Optimist Creed, the meeting adjourned.

Respectfully submitted,  
Becky Kuykendall
