

**OPTIMIST CLUB OF FORT SAM HOUSTON**  
**NOON MEETING MINUTES**  
**FEBRUARY 06, 2014**

Due to inclement weather the regularly scheduled Noon Meeting was postponed. There were some announcements voiced at the February 4th OCFSH Board Meeting and not included in the minutes of that meeting.

Letty Dietes received and forwarded to Rick this email from Don Myles of the Windcrest club.

Re: December 2012 – 13 Christmas Party:

Quote: “Thanks so much for sending the photos of the \*Leos with Santa, and Dean and I with Santa. The Leos and I truly enjoyed the Christmas Party for these special kids and their families. Although Windcrest will no longer be supporting future parties, we will always accept an invitation to attend. Also the Leos stand ready to assist any time you need them. They love the Christmas Party event. Best wishes to you and Fort Sam Optimists for a happy, successful New year.”

Don Myles

President – Windcrest Optimist Club

Ernst & Young, the company Letty works for, has formed a team called, Team in Training to raise funds for The Lymphoma and leukemia Society. Letty an avid bicyclist will ride her bike in a one-hundred (100) mile bicycle ride June 1st in Lake Tahoe NV. She along with other riders from other companies around the San Antonio area will be raising money for the privilege of participating in the event. She began training this week.

Ray Holmes has a letter of thanks and a photo of him presenting the anonymously donated ten (10) pound box of candy to the Fort Sam Houston Fischer House. He will bring these items to the next noon meeting.

Next Wednesday, February 12th, Fay and Jack Hopkins will be traveling to Houston where Fay will be training our new club, the East Fort Bend County Optimist Club consisting of twenty-nine (29) members. Twenty five (25) of the members have worked together for years doing community service.

Russell mentioned that the weather forecast for Thursday February 6th was not good. Rick will advise club members if it is necessary to postpone the meeting for that day.

***Fifteen days (15) 'til Showtime and tickets for the February 22 2014 Children's Film Festival are still available from Rick. We need to do what we can to sell the tickets we have because as you know, the club retains 100% of the revenue from the sale of these tickets.***
