President Fay Hopkins has arranged the installation banquet with the club on September 29, 2016. She asked Incoming President Jack Kellmann if he had a preference for the person to install him and his board, and keynote speaker. There is plenty of time.

Jack Hopkins presented An Evening in 09 recap:

We had 13 members and 4 guests present.

Our total Receipts were \$487.00, and costs were \$399.13, so our profit was \$87.87.

We do have some left over Pepsi and Diet Pepsi.

My recommendations for next year's event is that we have Sausage On a Stick, and add hot dogs and buns. We lost money on sodas and we had lots of sodas left. We will consider whether to have water and sodas.

My thanks to all who participated, including Bob Ritchie for providing his pickup and the canopy, to John Rosenwald for cooking, for everyone who provided cookies, and to Sarah Villarreal for providing the water.

I think it is fair to say that it was a fun event, and if the weather had not scared off so many folks it would have been way more profitable.

Jack Kellmann drew the winning ticket and Y Villarreal won \$4.00.

Following the Optimist Creed, the meeting adjourned at 12:29:29 PM.
